- 3.3. Save as is expressly otherwise provided herein you hereby authorise FGB to accept, and you agree to be responsible for, any Instructions given through the Online Banking System to the same extent as if you had given signed, written instructions to FGB.

- 4.2. The Customer acknowledges that all the services listed in the First Schedule may not be available for all types of accounts. FGB will advise from time to time which types of Services are offered for each type of Account.

- 4.3. You must own or have access to a Computer with internet access via modem (56K) or internet access via LAN and have available Internet Explorer 5.5 software or higher which supports 128 bit encryption and an e-mail address or such other hardware and software as needed from time to time to access the Services.

- 5.1. You agree that the requirement of Access Code(s) is reasonable and acknowledge that this is designed to authenticate Transactions as yours.
- 5.2. You shall not disclose and will take all necessary steps to prevent the disclosure of your Access Code(s).
- 5.3. You also agree to keep your Access Code(s) secure and to ensure that it is not accessible by anyone else save and except a User.
- 5.4. You shall immediately notify FGB by calling FGB at **888-CALL-FGB** or such other telephone number(s) as FGB may specify from time to time if you believe or suspect that your Access Code(s), or any one of them, has become known to, or is in the possession of any person, whom you do not intend to have such information or access or if the confidentiality of such information has been or is believed by you to have been compromised and you may, in such cases, be required by FGB to establish one or more new Access Codes as the circumstances may require. The cost of replacing a Token will be borne by you.
- 5.5. Without limiting the foregoing you must and hereby agree to observe the following guidelines:
 - 5.5.1. you will not leave account information, including Access Code(s), in an open area accessible by other persons, including a Computer screen;
 - 5.5.2. you will not send the Access Code or privileged account information over an email system or any digital messaging platform;
 - 5.5.3. you will not share your account information, whether by electronic means or otherwise, with anyone other than a User;

- 5.5.4. you will not leave any Computer unattended while it is connected to the Online Banking System;
- 5.5.5. you will take all security measures necessary to secure the Access Code(s) from unauthorised usage; and
- 5.5.6. you will log out of the Services and close the browser after each online banking session and clear the browser's cache and history.
- 5.6. You agree that you shall use the Access Code(s) exclusively in accordance with this Agreement and/or FGB's instructions and directions as made known to you at any time and from time to time.
- 5.7. You are not allowed to copy, publish, sell, rent, lease, sub-lease, sub-use, distribute, lend, modify, merge, translate, decompile or reverse compile the Access Code(s).
- 5.8. On the first occasion you access the Services online you must change your password in the manner specified by FGB if so required by FGB. You may also be required to, and if so required, must enter the number from the Token.
- 5.9. You may also be required by FGB to change your password at any time and from time to time and hereby agree to comply with such valid requests.
- 5.10. You may also be advised on how the Token should be used in conjunction with any other Access Codes and agree to comply with such requests.
- 5.11. Save as is otherwise expressly provided herein you shall be held liable for all Transactions, losses, costs and liabilities resulting from the unauthorised use of the Access Code(s), the Services or the Online Banking System ("**Unauthorised Transactions**").
- 5.12. Every Instruction has the same status and legal value as a written instruction signed by you. Accordingly, you agree not to challenge the legal effect, validity or enforceability of an Instruction issued to FGB via the Online Banking System, whether or not same has been authenticated by Access Code or such other verification procedure as FGB may allow from time to time (including identifying a Computer as a 'trusted device').

- 5.13. In addition to using the Access Code(s) you may be required by FGB to provide information to verify that you are the account holder or otherwise identify yourself and to provide an e-mail address and you agree to comply with any such request.
- 5.14. If you have given someone your Access Codes and want to terminate that person's authority, you must notify FGB in writing that Transactions by such a person are no longer authorised. FGB may have to change your Access Codes or take additional steps to prevent further access by such person and you agree to comply with same.
- 5.15. If you give someone your Access Code(s) or allow someone to have access to such information, you will be deemed to have authorised such person to carry out Transactions in relation to your Account(s) and to use the Services on your behalf. In such cases, all Transactions performed by such person, even Transactions which you did not intend or want to be carried out, will be deemed to have been authorised by you and you will be responsible and liable therefor. For the purposes of this Agreement you are further deemed to have authorised all Unauthorised Transactions save and except Unauthorised Transactions described in clause 15.6.2.

5A. Biometric Authentication Feature

- 5A.1. You may voluntarily choose to enable the Biometric Authentication Feature in the Online Banking System. The Biometric Authentication Feature may be used as an alternative to the use of Access Codes in some but not all cases, as some features or Services on the Online Banking System, as determined by FGB from time to time, will only be accessible through the use of an Access Code.
- 5A.2. The Biometric Authentication Feature is based on technology in your Computer and so will only be accessible where your Computer has the requisite technology. Your Computer may support different types of biometric authentication such as fingerprint or facial recognition and this will determine the Biometric Authentication Feature available to you. FGB does not have access to or control over biometric data stored on your Computer and FGB makes no warranty or representation as to the security of the biometric authentication function of your Computer.
- 5A.3. You acknowledge and understand that any biometric data stored on your Computer prior to enabling the Biometric Authentication Feature may be used to access the Online Banking System. You are therefore obligated

- 6.8. You warrant and agree that the total dollar amount of Transactions conducted by you via the Services on any one day shall not exceed the limit agreed between you and FGB on the opening of the Account and from time to time. FGB reserves the right to decrease the prescribed limit in the event of an emergency provided that FGB will advise you of any such decrease as soon as possible.
- 6.9. Without prejudice to any other provisions regarding indemnity in this Agreement you shall indemnify FGB, its directors, officers, employees and representatives against any loss, damage, claim, demand, liability, expense or costs (including Attorneys' fees and expenses) resulting from or arising out of any breach of any of the foregoing warranties or agreements.
